

Free advertising for landlords and letting agents in Somerset.

Somerset Homelet interactive website is a new way of advertising and finding a private home to rent. The service is open and FREE to all landlords and letting agents with properties and rooms available across Somerset.

The service is being provided by four Local Authorities: Sedgemoor, North Somerset, Taunton Deane and West Somerset, which has the backing of EDF Energy.

The website is being unveiled at the Somerset West Landlords' Forum on 16th October at The Bridgwater & Albion Rugby Club at 6:15pm.

You are welcome to come and see a demonstration of Somerset Homelet and how easy the website is to use for tenants looking for a home and for landlords and agents to advertise properties.
